Experience

Freelance / Producer, Project Manager, Stylist

DEC 2009 - PRESENT, SAN FRANCISCO / NEW YORK CITY / LOS ANGELES

- Lead the creation of images and video for online and in-store/events constructing creative briefs, project treatments, mood boards, milestone roadmaps, budgets, schedules, meetings, bookings, shoots, editing, expensing and invoicing.
- Assign and manage photographers, talent, and creative crew. Structure looks and shoot schedule to meet daily shot count and delivery deadlines.
- Research, source, and style wardrobe + props for both on-figure and product.
- Prioritize and problem solve, always anticipating potential obstacles and remedies for a smooth execution.

Sony Alpha / Stylist, Producer

AUG 2018 - AUG 2022, MULTI-LOCATION

- Acted as liaison between agents, talent, artists, client, providing project management support
- Created relationships with local agencies across the U.S., scouting for local talent in each city
- Analyzed priorities and workflow, always looking for ways to optimize + streamline efficiency in process
- Collaborated on creative strategy, built project treatments, organized concept ideation and logistics

- Managed, trained, sourced wardrobe, and dressed 6 - 100 talent for each shoot

eBay / Producer

MAR 2018 - OCT 2018, SAN JOSE / SF / NYC

- Oversaw entire lifecycle of photo/video shoots from initial brainstorming - logistics - shoot - post wrap ups
- Developed and managed schedules, planning effective workflow with clear deliverables and milestone dates, communicating project process status updates to provide transparency/visibility to team
- Maintained strong external relationships with partners and agencies, as well as in-house departments
- Operationalized shoot calendar, concept development, pre- and post- production; determined budgets, procurement of merchandise, invoicing procedures.
- Monitored and ensured compliance of creative brief and review processes, resource management, and budget adherence (\$25k - \$300k).

Education

Thinkful / Certificate, Data Analytics Program

JAN 2023 - JUL 2023, REMOTE

- Produced and presented professional projects and presentations from concept to completion focused on business forecasting, price modeling, and statistical analysis.
- Developed skills in data analytics systems, including Excel, PostgreSQL, Tableau, Python, PowerPoint, and GitHub, and methodologies, including dashboarding, performance tracking, data wrangling, cleaning, and analysis.

Academy of Art University / B.F.A., Computer Arts Web Design: New Media

JAN 2009 - APR 2013, SAN FRANCISCO
